SPAWAR Systems Center Charleston Awards Contract

CHARLESTON S.C. — WareOnEarth Communications, Inc.*, Annandale, VA, is being awarded a \$9,524,252 Indefinite Delivery, Indefinite Quantity, Cost-Plus-Fixed-Fee type contract for program management, high performance computing, information security, modeling and simulation, systems engineering, integration, technical support and integrated logistics support for designated Navy Cryptographic requirements. This contract includes four one-year options which is exercised, would bring the cumulative value of this contract to \$49,957,161. The work will be performed in Charleston, SC, 80%; and Norfolk, VA, 20%, and is expected to be completed by May 23, 2007. Contract funds in the amount of \$100,000 will expire at the end of the current fiscal year. The contract was competitively procured with the Request for Proposal posted on the SPAWAR System Center Business Opportunities website and three offers were received. The Space and Naval Warfare Systems Center Charleston is the contracting activity (N65236-02-D-7838).

* WareOnEarth Communications Inc. is a small business *
